**SIXTH GRADE SUMMER READING LIST**

Reading is an amazing way to explore the world without leaving your home. It is also a great way to see the world through the eyes of another person. This summer, I hope you enjoy traveling back in time and seeing the world in a different light, as you enjoy one of the below listed historical fiction books. Besides your local bookstore, you can find many of these at your local public library, as well as purchase/borrow/download them on an electronic device. Besides the “Book Report Form” you will need to complete for your book, you will also be doing some work with the book when we start school in August. If you are planning on reading your book on an electronic device, please have your parents drop me an email before school starts to let me know that you have permission to bring your electronic device to school for the duration of the activity with your book. Do not feel that you are allowed only one book this summer! There are so many great books out there that I encourage you to read more than what is assigned. If you have any questions, please feel free to contact me. I wish you a summer of happy reading!
