

## Resurrection School 2023-2024 Supply List and Summer Work Kindergarten

You can purchase scrip (e-gift cards) at [www.raiseright.com](http://www.raiseright.com) or through the RaiseRight app for places that sell school supplies (Amazon, Target, Walmart, Office Depot, Office Max, Staples). Your scrip purchases count towards your family fundraising commitment. If you shop in-store at Office Depot or Office Max, mention our school or provide our school ID (70015625) when you check out. If you shop online, enter our school's ID on the Thank You Confirmation page. The school receives 5% back in credits to be used for office supplies from these two stores. Thank you for your support!

**KINDERGARTEN SUMMER WORK**

Reading can be fun! Help your child create a reading book of environmental print to bring the first day of school that they can share with their classmates of all the places they went! For example: If you go and eat lunch at McDonald's, take a picture of your child in front of a McDonald's sign for them to read to their classmates. Or if you go to Oregon, find an Oregon sign so they can read the sign in the picture to the class. Another example would be if they play at a park, take a picture of them in front of the park sign so they can read the name to their classmates. Reading is all around, and your child can begin the journey with all the places they go this summer! I can't wait to see these lovely books and hear them read them to us! (Please no more than five places).

You may also read picture books with your children to continue their vocabulary knowledge.
